1. Purpose

These Know Your Customer (KYC) Guidelines establish procedures for customer identification, verification, onboarding, and ongoing review at GlobalTrust Financial Services (GTFS). KYC is distinct from but complementary to the AML Policy (GTFS-COMP-001), which governs transaction monitoring and suspicious activity reporting.

- **Customer identification** — Verify the true identity of all customers.
- **Fraud prevention** — Detect identity fraud and synthetic identities at onboarding.
- **Regulatory compliance** — Meet MAS, FATF, and local banking KYC requirements.
- **Customer trust** — Protect legitimate customers and the financial system.
- **Financial crime prevention** — Support AML controls through accurate CDD.
- **Risk management** — Align with GTFS-RISK-001 enterprise risk framework.

REGULATORY REQUIREMENT: All customer data must be encrypted using AES-256 at rest and in transit per GTFS-SEC-001.

2. Scope

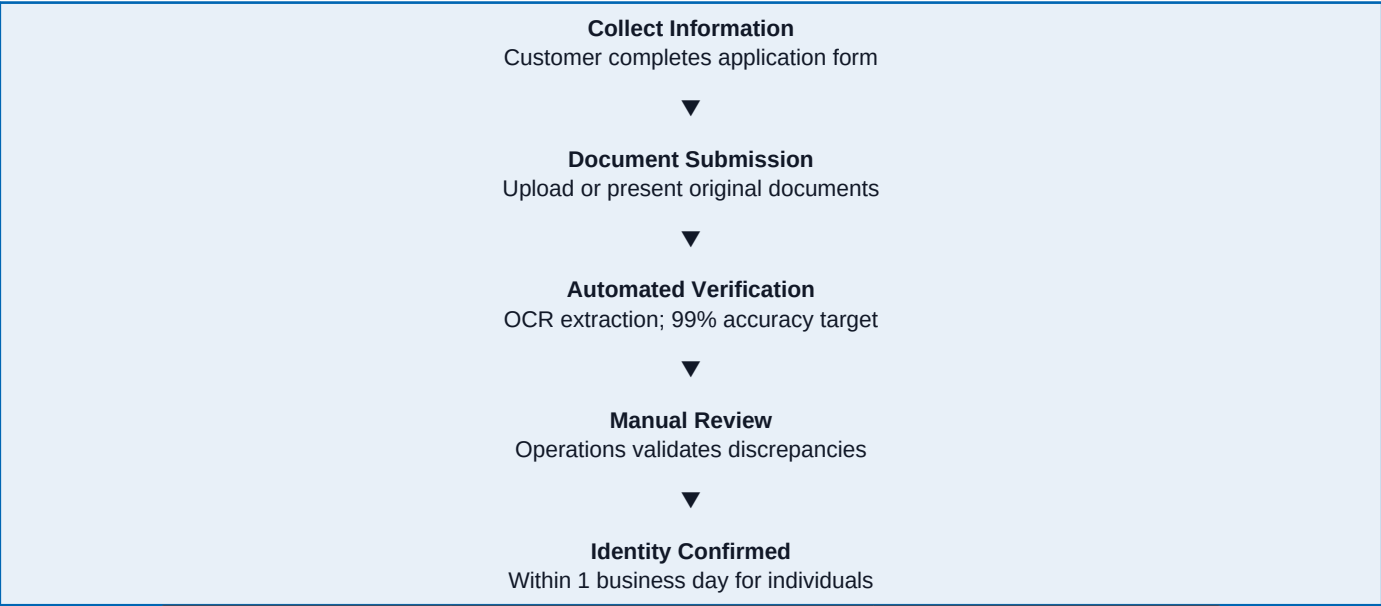

- Retail Banking, Corporate Banking, Commercial Banking, Business Banking.
- Mortgage Services, Private Banking, Wealth Management, Digital Banking.
- All GTFS branches and digital channels in Singapore, Dubai, Mumbai, and London.

3. Regulatory Framework

Framework	KYC Requirements	GTFS Implementation
MAS Guidelines	Notice 626; CDD requirements	Primary framework for SG operations
FATF Recommendations	Recs 10, 11, 20 on CDD	Risk-based CDD programme
International Banking Standards	Wolfsberg Principles	Correspondent banking KYC
Local Regulations	RBI, DFSA, FCA	Regional KYC procedures
Internal Standards	GTFS-COMP-001 AML Policy	Integrated financial crime controls

4. Customer Identification Program (CIP)

Identity Verification Process

Verification Element	Requirement	SLA
Identity verification	Government-issued Photo ID	1 business day
Address verification	Proof within last 90 days	1 business day
Nationality verification	Passport or National ID	1 business day
Date of birth	Minimum age 18 years	At application
Tax identification	TIN or equivalent	1 business day
Occupation	Employment letter or declaration	1 business day
Business registration	Certificate of Incorporation	3 business days

5. Individual Customer Requirements

Minimum required documents: **Government-issued ID, Proof of Address, Tax Identification Number.**

Document Type	Accepted Forms	Validity / Notes
Government-issued Photo ID	Passport, National ID Card, Driver's License	Must be valid and unexpired
Proof of Address	Utility Bill, Bank Statement	Issued within last 90 days
Tax Identification	TIN, NRIC (SG), PAN (IN), TRN (AE)	Mandatory for all accounts
Recent Photograph	Passport-style photo	Taken within last 6 months
Additional (Private Banking)	Source of Wealth documentation	Per GTFS-COMP-001 EDD

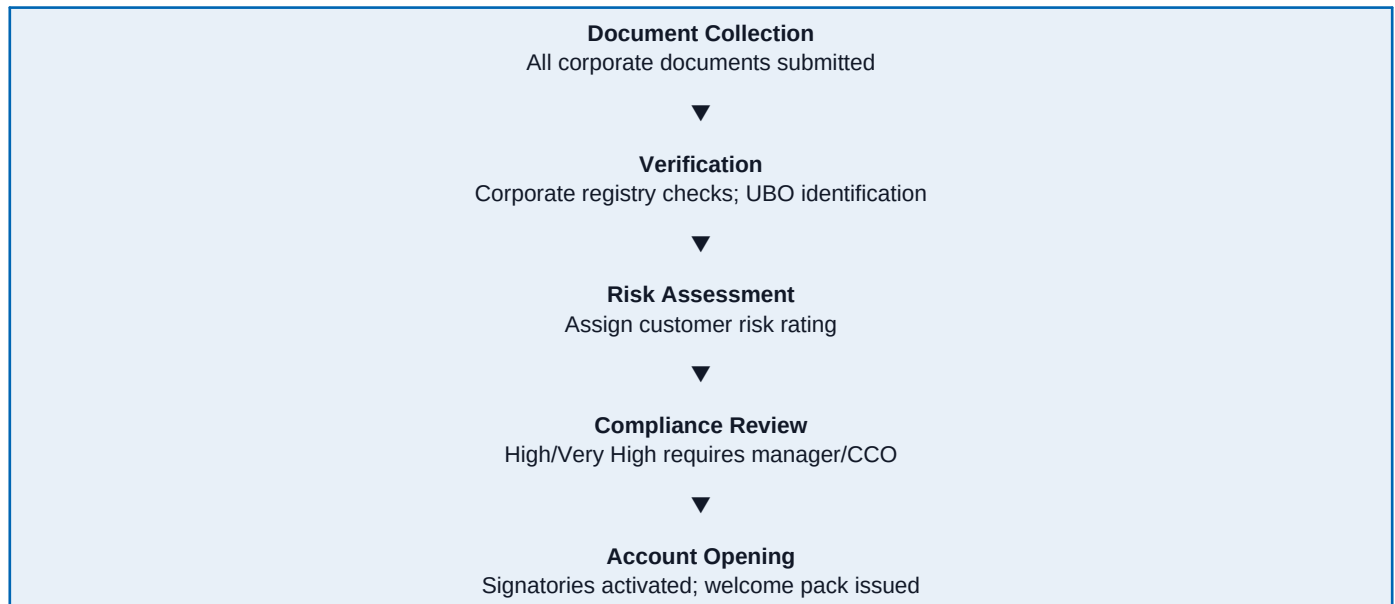

COMMON MISTAKE: Accepting expired identification documents is a common compliance failure. Always verify expiry dates before account activation.

6. Corporate Customer Requirements

Required corporate documents: **Certificate of Incorporation, Business Registration, UBO Declaration, Board Resolution.**

Document	Purpose	Verification SLA
Certificate of Incorporation	Legal entity confirmation	3 business days
Business Registration Certificate	Operating licence validation	3 business days
Articles of Association	Governance structure	3 business days
Board Resolution	Authorised signatories	3 business days
Beneficial Ownership Declaration	UBO identification above 25%	3 business days
Shareholding Structure	Ownership diagram	3 business days
Tax Registration	Corporate tax ID	3 business days
Business Address	Registered and operating address	3 business days
Financial Statements	Latest audited accounts (corporate banking)	5 business days

Corporate Customer Approval Workflow

7. Beneficial Ownership Verification

Ultimate Beneficial Owner (UBO) verification is **mandatory for any individual with ownership above 25%** or exercising effective control.

- **Complex ownership structures** — Trace through holding companies to natural persons.
- **Trusts** — Identify settlor, trustee, protector, and beneficiaries.
- **Holding companies** — Verify each layer until UBO identified or exemption applies.
- **Foreign entities** — Independent verification via accredited registry or legal opinion.

IMPORTANT: Shell companies with no apparent business purpose require Enhanced Due Diligence regardless of stated ownership percentage.

8. Customer Risk Assessment

Risk Level	Examples	Verification	Approval	Review
Low	Salaried employee; local resident	Standard CDD	RM + system	Every 3 years
Medium	SME owner; self-employed	Standard CDD	RM + Ops	Annually
High	Cash business; high-risk sector	Enhanced verification	Compliance Manager	Every 6 months
Very High	PEP; high-risk jurisdiction	Full EDD	CCO	Every 6 months
Approval Authority		Low / Medium	High	Very High
Account opening		RM	Compliance Manager	CCO
Risk rating override		Compliance Officer	Compliance Manager	CCO
Relationship continuation		RM + Compliance	Compliance Manager	CCO

9. Customer Onboarding Workflow

Approval
Per approval authority matrix

Account Opening
Core banking activation

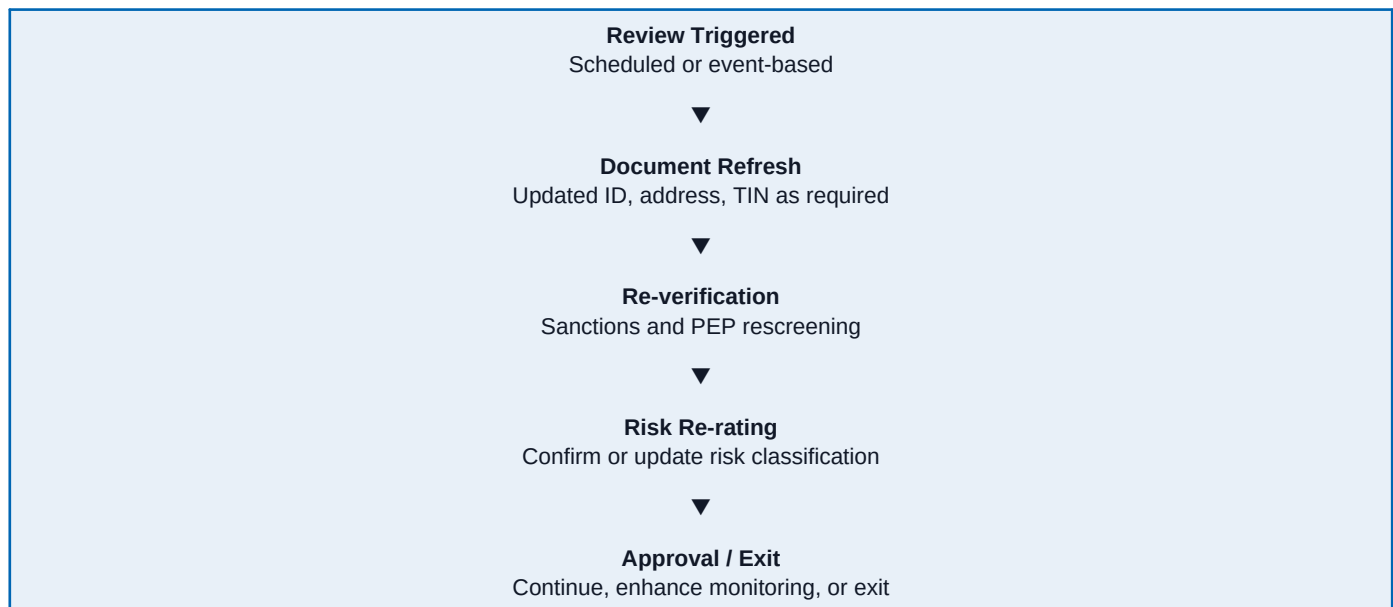

Welcome Process
Cards, credentials, disclosures issued

BEST PRACTICE: Maximum onboarding time for Low Risk individual customers is **2 business days** from complete document submission.

10. Periodic KYC Reviews

Customer Type	Review Frequency	Trigger Events
Low Risk individual	Every 3 years	Material profile change
Medium Risk individual	Annually	Unusual activity
High Risk individual	Every 6 months	Transaction alerts
PEP	Annually	Any status change
Corporate customers	Annually (Medium+); 3 years (Low)	Ownership change
Dormant accounts	After 24 months inactivity	Reactivation request

Periodic Review Process

11. Digital KYC

Capability	Standard	Notes
Video KYC	~10 minutes session	Recording retained 7 years
Electronic document verification	OCR + manual review	99% OCR accuracy target
Facial recognition	Match to ID photograph	Liveness detection mandatory
Liveness detection	Anti-spoofing checks	Required for all digital onboarding
Digital signatures	Mandatory for digital onboarding	Legally binding e-sign
Document OCR	Automated data extraction	Manual override for low confidence

REGULATORY REQUIREMENT: Digital onboarding data is encrypted with AES-256. Video recordings are classified as Confidential and retained for 7 years.

12. Exceptions

Customer Type	Special Requirements
Minors (under 18)	Account with Parent or Legal Guardian; guardian KYC mandatory
Joint Accounts	All account holders verified individually
Trust Accounts	Trust deed; trustee and beneficiary identification
Non-resident Customers	Passport; visa/residency proof; enhanced address verification
Embassies / Government	Diplomatic note; simplified CDD with Compliance approval
High-Net-Worth Individuals	Source of Wealth; Private Banking EDD per GTFS-COMP-001

13. Employee Responsibilities

Role	KYC Responsibilities
Relationship Managers	Accurate application; document collection; red flag escalation
Operations	Document verification; OCR review; SLA compliance
Compliance	Policy governance; high-risk approvals; quality assurance
Risk	Risk rating methodology; portfolio risk reporting
Branch Managers	Local onboarding oversight; training compliance
Executives	Resource allocation; culture of compliance

KYC Case Studies

Case Study: Opening a Savings Account

Scenario: Singapore resident, age 32, salaried employee applying via mobile app.

Required Documents: NRIC (Photo ID), utility bill (90 days), TIN.

Risk Assessment: Low Risk — local resident, stable employment.

Approval Process: Automated verification; RM notification only.

Expected Timeline: Account opened within 2 business days.

Case Study: Opening a Corporate Account

Scenario: Singapore-incorporated SME with two directors and one UBO at 60% ownership.

Required Documents: Certificate of Incorporation, Business Registration, UBO Declaration, Board Resolution.

Risk Assessment: Medium Risk — standard SME profile.

Approval Process: Operations verification (3 days); RM approval.

Expected Timeline: Account opened within 3 business days.

Case Study: High-Risk Foreign Customer

Scenario: Non-resident applicant from FATF grey-list country seeking commercial banking.

Required Documents: Passport, visa, proof of address, source of funds, corporate documents.

Risk Assessment: High Risk — foreign entity; enhanced verification required.

Approval Process: Compliance Manager approval mandatory.

Expected Timeline: Onboarding within 5–7 business days.

Case Study: Minor Account Opening

Scenario: Parent opening savings account for 14-year-old child.

Required Documents: Child birth certificate; parent NRIC; parent TIN; guardian declaration.

Risk Assessment: Low Risk (guardian) — minor not direct account holder.

Approval Process: Parent KYC complete; joint account structure.

Expected Timeline: Account opened within 2 business days.

Case Study: Non-Resident Customer Onboarding

Scenario: UK national relocating to Singapore on employment pass.

Required Documents: Passport, employment pass, tenancy agreement (90 days), UK and SG TIN.

Risk Assessment: Medium Risk — non-resident with local employment.

Approval Process: Standard verification; address cross-checked.

Expected Timeline: Account opened within 2 business days.

14. Frequently Asked Questions

Q: What is the minimum customer age?

A: 18 years. Minors require a Parent or Legal Guardian.

Q: What is the identity verification SLA?

A: Within 1 business day for individuals.

Q: Corporate verification SLA?

A: Within 3 business days.

Q: How long does Video KYC take?

A: Approximately 10 minutes.

Q: How old can proof of address be?

A: Within the last 90 days.

Q: How recent must the photograph be?

A: Within the last 6 months.

Q: What is the UBO ownership threshold?

A: 25% — verification mandatory above this level.

Q: Who approves high-risk customers?

A: Compliance Manager.

Q: Who approves very high-risk customers?

A: Chief Compliance Officer (CCO).

Q: Low-risk review frequency?

A: Every 3 years.

Q: Medium-risk review frequency?

A: Annually.

Q: High-risk review frequency?

A: Every 6 months.

Q: PEP review frequency?

A: Annually.

Q: When are dormant accounts reviewed?

A: After 24 months of inactivity.

Q: Required individual documents?

A: Government-issued ID, Proof of Address, Tax Identification Number.

Q: Required corporate documents?

A: Certificate of Incorporation, Business Registration, UBO Declaration, Board Resolution.

Q: Maximum onboarding time for low risk?

A: 2 business days.

Q: Is digital signature required?

A: Yes — mandatory for digital onboarding.

Q: How long are video recordings kept?

A: 7 years.

Q: How long are rejected applications kept?

A: 5 years.

Q: Customer record retention?

A: 7 years.

Q: What encryption is used?

A: AES-256 per GTFS-SEC-001.

Q: OCR accuracy target?

A: 99%.

Q: Where is the AML policy?

A: GTFS-COMP-001 — governs monitoring and STR, not onboarding.

Q: Can I open an account without TIN?

A: No — Tax Identification Number is mandatory.

15. Appendices

Appendix A — Required Documents Checklist (Individual)

- Government-issued Photo ID (valid, unexpired)
- Proof of Address (within 90 days)
- Tax Identification Number
- Recent photograph (within 6 months)
- Digital signature (digital channel)
- Sanctions screening cleared

Appendix B — Customer Risk Matrix

Factor	Low	Medium	High	Very High
Residency	Local	Regional	Foreign	High-risk jurisdiction
Occupation	Salaried	Self-employed	Cash-intensive	PEP
Product	Savings	Current	Trade finance	Private banking
Channel	Branch	Digital	Introducer	Remote

Appendix C — KYC Glossary

Term	Definition
CDD	Customer Due Diligence
CIP	Customer Identification Program
EDD	Enhanced Due Diligence
KYC	Know Your Customer
OCR	Optical Character Recognition
PEP	Politically Exposed Person
UBO	Ultimate Beneficial Owner
Video KYC	Remote identity verification via video call

Appendix D — Compliance Contacts

Function	Contact
KYC Operations	kyc@gtfs.internal
Compliance Hotline	+65 8000 9100
Chief Compliance Officer	cco@gtfs.com
AML Policy queries	aml@gtfs.internal (GTFS-COMP-001)
