# 1. Executive Summary

GlobalTrust Financial Services delivered a strong first quarter in FY2026. Q1 revenue of **SGD 935 million** represents 24.3% of the full-year budget target (SGD 3.85 billion per GTFS-FIN-001), with net profit of **SGD 151 million** and operating margin of **16.1%**. Operating expenses totalled **SGD 708 million**, yielding a cost-to-income ratio of **42%** — slightly above the annual target of 41% due to accelerated technology investments.

**Growth:** We onboarded **38,500** new customer accounts and grew digital banking users to **2.15 million**. Commercial lending remained robust with **4,280** loans approved.

**Digital Transformation:** Project Phoenix reached **34%** completion with Q1 spend of SGD 6.8 million. Atlas modernization and cloud migration progressed to 41% and 29% respectively.

**QUARTER HIGHLIGHT:** Customer satisfaction of 94.2% reflects continued service quality despite major platform upgrades. Employee training completion reached 91% with attrition at 1.9%.

**Operational Performance:** Cost-to-income ratio of 42% reflects planned technology investments. Operations processed 8,920 mortgage applications with an 83% approval rate and maintained fraud prevention at 312 cases blocked.

# 2. Financial Highlights

|          |                       |          |                       |           |                    |          |                      |
|----------|-----------------------|----------|-----------------------|-----------|--------------------|----------|----------------------|
| SGD 935M | Q1 Revenue            | SGD 151M | Net Profit            | SGD 708M  | Operating Expenses | 42%      | Cost-to-Income Ratio |
| 2.15M    | Digital Banking Users | 94.2%    | Customer Satisfaction | SGD 12.4B | Loan Portfolio     | SGD 8.7B | Mortgage Portfolio   |
| 16.1%    | Operating Margin      |          |                       |           |                    |          |                      |

| Metric          | Q1 FY2026 | Q1 FY2025 | YoY Change |
|-----------------|-----------|-----------|------------|
| Revenue (SGD M) | 935       | 828       | +12.9%     |

| Metric                | Q1 FY2026 | Q1 FY2025 | YoY Change |
|-----------------------|-----------|-----------|------------|
| Net Profit (SGD M)    | 151       | 128       | +18.0%     |
| Operating Margin      | 16.1%     | 14.2%     | +1.9 pp    |
| Cost-to-Income Ratio  | 42.0%     | 44.1%     | -2.1 pp    |
| Digital Banking Users | 2.15M     | 1.89M     | +13.8%     |
| Customer Satisfaction | 94.2%     | 92.8%     | +1.4 pp    |

**EXECUTIVE INSIGHT:** Operating margin of 16.1% exceeds Q1 FY2025 by 190 basis points, driven by revenue growth and disciplined expense management.

### 3. Revenue Analysis

| Business Unit       | Q1 Revenue (SGD M) Share |       | YoY Growth |
|---------------------|--------------------------|-------|------------|
| Retail Banking      | 198                      | 21.2% | +11.2%     |
| Corporate Banking   | 172                      | 18.4% | +10.5%     |
| Commercial Banking  | 156                      | 16.7% | +12.1%     |
| Mortgage Services   | 142                      | 15.2% | +14.8%     |
| Treasury Operations | 103                      | 11.0% | +8.9%      |
| Wealth Management   | 96                       | 10.3% | +11.0%     |
| Digital Banking     | 38                       | 4.1%  | +22.5%     |
| Investment Services | 30                       | 3.2%  | +7.8%      |
| Total               | 935                      | 100%  | +12.9%     |

**STRATEGIC INITIATIVE:** Digital Banking revenue grew 22.5% YoY — the fastest-growing segment — supporting the 2.15 million active digital banking user base.

## 4. Expense Analysis

Total operating expenses of **SGD 708 million** represent 76.2% of Q1 revenue. Technology and cybersecurity investments accounted for the largest year-over-year increase.

| Category             | Q1 Actual (SGD M) | Budget (SGD M) | Variance |
|----------------------|-------------------|----------------|----------|
| Employee Costs       | 368               | 362            | -1.7%    |
| Technology           | 42                | 38             | -10.5%   |
| Cybersecurity        | 10.5              | 10.5           | 0.0%     |
| Cloud Infrastructure | 13.8              | 13.0           | -6.2%    |
| Facilities           | 28                | 28             | 0.0%     |
| Marketing            | 6.5               | 6.5            | 0.0%     |
| Operations           | 88                | 85             | -3.5%    |
| Compliance           | 6.0               | 6.0            | 0.0%     |
| Vendor Services      | 54                | 52             | -3.8%    |
| Travel               | 3.8               | 4.0            | +5.0%    |
| Training             | 4.5               | 4.5            | 0.0%     |
| Other                | 82.9              | 80.0           | -3.6%    |
| Total OpEx           | 708               | 690            | -2.6%    |

**FINANCIAL OBSERVATION:** Technology spend exceeded budget by 10.5% due to Project Phoenix and Atlas modernization acceleration — aligned with GTFS-FIN-001 strategic priorities.

Budget vs Actual analysis shows Q1 OpEx of SGD 708 million versus a prorated quarterly budget of SGD 690 million (2.6% unfavourable variance), primarily driven by technology programmes funded under GTFS-FIN-001.

## 5. Department Performance

| Department          | Q1 Spend (SGD M) | Key Metric                   | Status   |
|---------------------|------------------|------------------------------|----------|
| IT                  | 58               | System availability 99.97%   | On track |
| HR                  | 17               | Attrition 1.9%; training 91% | On track |
| Finance             | 12               | Reporting timeliness 100%    | On track |
| Risk                | 7.8              | Risk incidents: 2 minor      | On track |
| Compliance          | 6.0              | AML score 98.7%              | On track |
| Operations          | 88               | Loan approval 3.6 days       | On track |
| Customer Experience | 14               | CSAT 94.2%                   | On track |
| Marketing           | 6.5              | 38,500 new accounts          | On track |
| Legal               | 5.2              | Zero material litigation     | On track |
| Internal Audit      | 4.1              | 3 audits completed           | On track |

## 6. Project Performance

| Programme                 | Completion | Q1 Spend (SGD M) | Budget YTD | Status         |
|---------------------------|------------|------------------|------------|----------------|
| Project Phoenix           | 34%        | 6.8              | 28.0       | On track       |
| Atlas Modernization       | 41%        | 18.5             | 75.0       | On track       |
| Cloud Migration           | 29%        | 13.8             | 55.0       | On track       |
| AI Knowledge Assistant    | 34%        | 2.4              | 12.0       | Within Phoenix |
| Cybersecurity Enhancement | 38%        | 10.5             | 42.0       | On track       |

**Project Phoenix:** Enterprise knowledge assistant deployed to pilot groups (800 users). Q1 spend of SGD 6.8 million. Next: expand to all Singapore employees in Q2.

**Atlas Modernization:** Core payment module migrated. Challenge: integration testing delays in Mumbai. Milestone: API gateway live by end Q2.

**STRATEGIC INITIATIVE:** Cloud migration at 29% completion remains within the GTFS-FIN-001 FY2026 plan. Phase 2 (disaster recovery) begins Q2.

### Project Milestones — Q1 FY2026

- Phoenix: Pilot deployment, RAG integration with Atlas policy documents.
- Atlas: Payment module migration complete; lending module 60% migrated.
- Cloud: 29% of workloads migrated; Singapore DR site provisioning initiated.
- Cybersecurity: SIEM rule expansion; quarterly penetration test completed.
- AI Assistant: 800 pilot users; average query resolution time 12 seconds.

## 7. Loan & Mortgage Performance

| Metric                     | Q1 FY2026 | Target   | Reference        |
|----------------------------|-----------|----------|------------------|
| Commercial Loans Approved  | 4,280     | 4,000    | GTFS-OPS-001     |
| Mortgage Applications      | 8,920     | 8,500    | GTFS-OPS-002     |
| Mortgage Approval Rate     | 83%       | 80%      | GTFS-OPS-002     |
| Avg Loan Approval Time     | 3.6 days  | 3.0 days | GTFS-OPS-001     |
| Loan Portfolio (SGD B)     | 12.4      | —        | Growing          |
| Mortgage Portfolio (SGD B) | 8.7       | —        | Growing          |
| Default Rate               | 0.42%     | <0.50%   | Within tolerance |
| New Customer Onboarding    | 38,500    | 35,000   | Exceeded         |

Loan Portfolio Distribution

**QUARTER HIGHLIGHT:** Average loan approval time improved to 3.6 business days, progressing toward the 3.0-day FY2026 target defined in GTFS-OPS-001.

## 8. Risk & Compliance Overview

| Area                        | Q1 Metric  | Target  | Status     |
|-----------------------------|------------|---------|------------|
| AML Compliance Score        | 98.7%      | 98.0%   | Exceeded   |
| KYC Completion Rate         | 99.4%      | 99.0%   | Exceeded   |
| Fraud Cases Prevented       | 312        | 250     | Exceeded   |
| Internal Audit Findings     | 4 minor    | 0 major | Acceptable |
| Cybersecurity Incidents     | 5          | —       | 0 critical |
| Critical Security Incidents | 0          | 0       | Met        |
| Operational Risk Events     | 2 minor    | —       | Managed    |
| Regulatory Findings         | 0 material | 0       | Clean      |

**RISK ALERT:** Five cybersecurity incidents recorded in Q1; zero classified as critical per GTFS-SEC-001. All contained within SLA with no customer data exposure.

Risk management activities aligned with GTFS-RISK-001. Internal audit completed three reviews with four minor findings — all remediation plans approved by the Audit Committee.

## 9. Technology Performance

| Metric                        | Q1 Result      | Target  |
|-------------------------------|----------------|---------|
| System Availability           | 99.97%         | 99.95%  |
| Atlas Platform Uptime         | 99.98%         | 99.95%  |
| Digital Adoption Rate         | 68%            | 65%     |
| Cloud Migration Progress      | 29%            | 25%     |
| VPN Active Users (avg daily)  | 2,840          | —       |
| Security Incidents            | 5 (0 critical) | —       |
| Service Desk Tickets Resolved | 4,120          | 95% SLA |
| Mean Time to Resolve (hours)  | 4.2            | 6.0     |

**FINANCIAL OBSERVATION:** VPN usage averaged 2,840 daily active users, reflecting hybrid work patterns under GTFS-HR-002. Zero unplanned Atlas outages during Q1.

## 10. Customer Experience

| Metric                            | Q1 FY2026 | Q1 FY2025 |
|-----------------------------------|-----------|-----------|
| Customer Satisfaction (CSAT)      | 94.2%     | 92.8%     |
| Net Promoter Score (NPS)          | +42       | +38       |
| Complaints Received               | 1,240     | 1,380     |
| Complaints Resolved within 5 days | 96.1%     | 94.5%     |
| Digital Banking Adoption          | 68%       | 61%       |
| Call Center Average Wait          | 42 sec    | 58 sec    |
| First Contact Resolution          | 87%       | 84%       |

**QUARTER HIGHLIGHT:** Customer satisfaction of 94.2% positions GTFS on track toward the FY2026 target of 95% defined in GTFS-FIN-001.

## 11. Key Achievements

- Delivered Q1 revenue of SGD 935 million, exceeding internal forecast by 2.1%.
- Achieved net profit of SGD 151 million with operating margin of 16.1%.
- Onboarded 38,500 new customer accounts across all regions.
- Project Phoenix pilot launched to 800 employees; 34% programme completion.
- Prevented 312 fraud cases through enhanced real-time analytics.
- Maintained system availability of 99.97% during Atlas migration activities.
- Reduced average loan approval time to 3.6 business days (from 4.2 in Q4 FY2025).
- Achieved AML compliance score of 98.7% and KYC completion of 99.4%.
- Employee training completion rate of 91% with attrition at 1.9%.
- Zero critical cybersecurity incidents despite 5 minor events.

## 12. Challenges & Risks

| Challenge                | Impact   | Mitigation                                  |
|--------------------------|----------|---------------------------------------------|
| Economic uncertainty     | Moderate | Diversified revenue streams; stress testing |
| Cyber threats            | High     | SGD 10.5M Q1 cybersecurity spend; SOC 24x7  |
| Interest rate volatility | Moderate | Treasury hedging per GTFS-RISK-001          |
| Vendor concentration     | Low      | Multi-vendor cloud strategy (Azure/AWS)     |
| Regulatory changes       | Moderate | Compliance budget; proactive engagement     |
| Atlas integration delays | Moderate | Dedicated Mumbai testing team in Q2         |

**RISK ALERT:** Interest rate volatility remains manageable through treasury hedging. Management continues monitoring MAS policy signals for Q2 planning.

## 13. Outlook for Q2

- Revenue target: SGD 960 million (+2.7% quarter-on-quarter).
- Continue Project Phoenix rollout to all Singapore employees.
- Advance Atlas modernization to 55% completion target.
- Launch cloud DR site Phase 2 per GTFS-FIN-001 capital plan.
- Reduce loan approval time toward 3.0-day target per GTFS-OPS-001.
- Maintain cost-to-income ratio trajectory toward 41% annual target.

**EXECUTIVE INSIGHT:** Management expects Q2 net profit of approximately SGD 158 million assuming stable market conditions and no material regulatory changes.

## 14. Appendices

### Appendix A — KPI Definitions

| KPI                  | Definition                                        |
|----------------------|---------------------------------------------------|
| Cost-to-Income Ratio | Operating expenses ÷ operating income             |
| Operating Margin     | Operating profit ÷ revenue                        |
| CSAT                 | Customer Satisfaction score from quarterly survey |
| NPS                  | Net Promoter Score — promoters minus detractors   |
| System Availability  | Uptime % excluding planned maintenance            |

### Appendix B — Department Codes

| Code     | Department             |
|----------|------------------------|
| IT-001   | Information Technology |
| HR-001   | Human Resources        |
| FIN-001  | Finance                |
| OPS-001  | Operations             |
| RISK-001 | Risk Management        |
| COMP-001 | Compliance             |

### Appendix C — Financial Glossary

| Term            | Definition                           |
|-----------------|--------------------------------------|
| OpEx            | Operating Expenditure                |
| YoY             | Year-over-Year comparison            |
| pp              | Percentage points                    |
| Atlas Platform  | GTFS proprietary core banking system |
| Project Phoenix | Enterprise AI knowledge assistant    |
